Why are we offering the ID Series?

Frankly, the Core Team realizes that many 11th and 12th graders are looking for something more, something new, something deeper than what we offer at regular Sunday night IGNITE meetings. You are looking for something to challenge you and capture your heart and your imagination.

We hope that by offering this series of sessions exclusively for YOU, with short-term time commitments, that it will benefit your spiritual growth and help you to become more intimate with Jesus through the Church.
