

## IGNITE Intercessory Prayer for Teens

(To be prayed daily)

*Father of mercies, we come before Your heavenly throne and beg for Your grace to be poured out upon the teens of our parish. By the sacrifice of Your Son, Jesus, our Lord, in the power of the Holy Spirit, and through the intercession of Mary, our Mother, please bless our young people today and bring them into a deeper, more intimate relationship with You. Heal them, comfort them, hold them, forgive them and renew them. Open their minds to Your glory and grant them eternal vision and the fortitude necessary to be Your disciples in a world so contrary to Truth, life and love. Bring forth leaders from among our teens and allow their energy and fervor for You and Your Church to spread like a new fire of hope and evangelization through our parish. Amen.*
