WHAT'S THE BUZZ?

Dear Parents,

I was contemplating this week, how quickly children can creep their way into your heart and before you know it, a new class doesn't seem new any more. They become "YOURS". There is something very special about these children and we just seem to be so comfortable with each other. I thanked God this week for this job I have and for allowing 23 new little people to share a relationship with me!

We had another productive week. I was very impressed with how quickly they grasped all the mechanics for letter writing. Hopefully, next week they will enjoy writing a letter to someone in the classroom.

Our Fall Celebration was a huge success. The children seemed to really appreciate and enjoy the craft, games, snacks and stories. If you were not able to help with this celebration do not be concerned. There will be other opportunities to enjoy these little darlings this year!

Next week we will celebrate All Saint's Day with a Mass at 8:30. Please come join us if you are available. The children love seeing their parents at Mass. We will also go to Mass on Friday at 8:30 for our regular Friday celebration.

Keep practicing the Math facts at home. The second week of November we will do another 5 minute timed test. Practice and repetition are how the math facts become automatic.

Have a peaceful weekend! Do you really think we will see snow?

Peace to you!

Amy Erb
