WHAT'S THE BUZZ?

Dear Parents,

Has anyone told you lately that your child is amazing? Well, I will. "YOUR CHILD IS AMAZING!!" This week every child took the shark facts they found through research and created their own Power Point slide show. I am in awe at how quickly children can learn how to use a computer program. Each slideshow is informative, creative and unique.

Now comes the tricky part. I need to do my homework and attach the slide shows to 2B's website. Hopefully, by the end of next week I will have completed this task. I am just so excited for families to view their work.

I pray that you are able to take time during this Advent season to pray and play as a family. I know from my own experience that the work list tends to be overwhelming but when I stop and take time to pray everything falls into place. You are all in my prayers.

We are having a good few weeks mixing Christmas fun with regular lessons. It is hard to keep children focused during the month of December.

Next week, we will be entertained by the Upper Hall students with their **Christmas Program**. The program will be on **Wednesday, December 14 at 1:15 and 7:00 pm**. Join us if you are able.

Keep reading and filling in the Library Reading Log with your child. We are in second place with the most books read in the school. Mrs. Rutherford's class is first. I can't let my niece beat me!!☺

Have a peaceful weekend! Peace to you!
